

Support for International Patent Protection in E&IT (SIP-EIT)

Support for International Patent Protection in E&IT-II (SIP-EIT-II) is a scheme by MeitY to provide support to Micro, Small and Medium Enterprises (MSMEs), and Technology Startup companies that are trying to secure intellectual property rights on a global level. SIP-EIT scheme provides financial support to MSMEs and tech Startups for international patent filing so as to encourage innovation and recognize the value and capabilities of global IP and establish competitive advantage.

Salient Features of the Scheme

- Providing financial support for international patent filing in Information Communication Technologies sector
- Reimbursement upto maximum of Rs.15Lakhs per invention or 50% of the expenses incurred in filing patent, whichever is less
- The applicant can apply for the support at any stage of international patent filing.
- Facility to apply online through web-portal <http://ict-ipr.in/>
- Option of Five applications per financial year from a single entity
- This is a grant subject to approval by MeitY and no stake in the supported patent is envisaged under the scheme

About CoE-IP

CoE-IP, part of the Ministry of Electronics and Information Technology, is a driving force behind innovation and intellectual property rights (IPR). We empower innovators to protect their ideas, fostering a culture of IPR. From education to patent support, we inspire creativity and transform ideas into assets.

Currently, two Prior Art Search centres are in operation at MeitY, New Delhi, and C-DAC, Pune, providing various IPR-related services to academic institutions, scientific societies of MeitY, SMEs, start-ups, and independent inventors.

Services Offered*

- Prior Art Search
- Invention Analysis
- IPR Related Query
- Patent Landscape Report
- Patent Filing Assistance
- Patent Alerts
- IPR Awareness - IP Panorama
- International Patent filing financial support
